

## EVERY SATURDAY APRIL 2 – NOVEMBER 19

The Statesboro Mainstreet Farmers Market brings local produce farmers, bakers and artisans together each week to share their products with the community in what has quickly become a must-attend event for the Statesboro-Bulloch County community.

In the spirit of the event’s motto of “Know Your Neighbor, Know Your Food,” the market strives to provide the community with the opportunity to purchase the freshest products available locally, but it’s an unmatched educational experience for those interested in where their food originates. The Statesboro Mainstreet Farmers Market has already made a difference in our community in so many ways — now is the opportunity to support the movement.

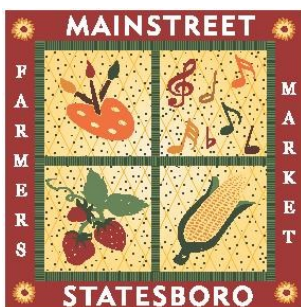

Please consider sponsoring the market —your community market— in any way possible. Your contribution will be recognized throughout the local community and draw attention to your business as supporters of local products.

**Be a part of the new economic engine for agri-business in our community!**
